Waste Collection Service Rules and Resource Recovery Facilities Information

Rules for your Collection Service

Only those bins designated for collection on the calendar will be emptied

DOMESTIC items only

- Do not place commercial, hazardous waste, dangerous goods or dirt in your bins
- Bin lid to be completely closed. Your bin will not be collected if the lid is open as the protruding objects can damage the truck
- Bin weight NOT to exceed 80kg. Bin will not be emptied if weight exceeds 80kg to avoid causing damage and unnecessary wear and tear to truck hydraulics.
- Bin is to be placed clear of obstructions e.g.: Vehicles and trees or overhanging branches
- Bins must be placed in position about 1 metre apart the EVENING BEFORE collection day. Collection at the same time each collection day cannot be guaranteed.
- Items placed on top of the bin or next to the bin will NOT be collected
- Your garbage collection service will run more efficiently by following the above rules.
- The garbage trucks are fitted with cameras and can record prohibited waste
- NO plastic bags in the Organics bin and NO general waste in the recycling bin
